This is the 6th year of the event but the first year as KJ's Mustache Challenge. The name has officially been changed to honor our friend Kyle John, who we lost to Ewing's Sarcoma. The donation will proudly be made in his name.

Each of the last two years The Mustache Challenge has raised over \$5,000 thanks to your generous donations – and each of the last two years that money has supported the Child Abuse Council's "Talking about Touching" program, which educates young children about touching that is inappropriate and what to do about it. With everything in the news about the scandals at Penn State and Syracuse, this program is more relevant than ever.

Sponsoring/Donating is simple –
